A Book of Good Cheer for Your Friend Who Is Ill

The chapter on *Humor* is one of the best in the book. Says the author: "Humor has probably done more to maintain the mental balance of persons under stress than has any other single element. . . . To most long-time sufferers, humor is better than flowers and almost as necessary as food."

Other chapters on "For One Who Is Afraid"; "For One Who Is Discouraged"; "For One Who Is Lonely," etc. $1.00
